1st Announcement and Call for Abstracts

Welcome message

We are pleased to announce and invite you to the 7th International conference of the Arab Society for Medical Research, which will be held in Hurghada. Hurghada is the capital city of the Red Sea Governorate of Egypt. It is one of the country's main tourist centres located on the Red Sea coast. This event is a result of continuous collaboration with The Leagues of Arab States. The Arab Society for Medical Research is aiming to foster co-operation and networking of medical schools of Arab Countries in order to advance medical research globally. You are all invited to attend, and submit your research abstracts for oral or poster presentations, or take part in panel discussions. We are looking forwards to your active participation and early submission of abstracts, hoping for further collaboration.

Main Topics

- Child Health, Pediatrics and Children with Special Needs
- Internal Medicine and Endemic Diseases
- Community Medicine & Refugees Diseases
- Gynecology, Obstetrics and Fetal Medicine
- Physiology and Hormones
- Complementary Medicine
