Application Deadline: June 02, 2024

U.S. Embassy Algiers is pleased to announce the opening of the Fulbright Foreign Student Program competition for 2025-2026. The Fulbright Program enables Algerian students to pursue graduate-level study in the United States. Participants also have the unique opportunity to experience life in the United States and share Algeria's unique culture and traditions with Americans.

Participants are chosen through an open, merit-based competition in which leadership potential, academic excellence, and the ability to adjust to life in the United States are all considered. Once accepted into the Fulbright Program, every Fulbrighter becomes part of a global network of engaged, dedicated Fulbright alumni.

The Fulbright Foreign Student Program is a program of the U.S. Department of State with funding provided by the U.S. Government and is administered by Amideast in the Middle East and North Africa region.

Note that selected candidates should be available for interviews in Algiers during June 2024. In addition, Fulbright participants are subject to the 212e home-country physical presence that requires returning to the nomination country or territory for a period of two years prior to being eligible for certain U.S. visa categories.
