Venue: Université Salah Boubnider Constantine 3

Hybrid : Registration Link:

https://euconf-eu.zoom.us/webinar/register/WN_EQjQOUGQSnOWYKY8VracEQ

Aim of the Infoday:

This information session aims to boost awareness and engagement with the Marie Skłodowska-Curie Actions (MSCA) under Horizon Europe and to promote MSCA Doctoral Networks (DN) among relevant institutions in Algeria. MSCA funds excellent research and innovation and supports researchers at all career stages by providing new knowledge and skills through international mobility and exposure to different sectors and disciplines, thereby strengthening Europe's long-term research and innovation capacity. As MSCA remains a relatively new programme for universities, public administrations, and academic and non-academic institutions in Algeria, this session seeks to raise awareness of its main schemes, in particular Doctoral Networks and Postdoctoral Fellowships, with a specific focus on the MSCA DN call opening on 16 December 2025. The event is organised in close cooperation with the Ministry of Higher Education and Scientific Research in Algeria, the European Commission's Directorate-General for Education, Youth, Sport and Culture (DG EAC), and the MSCA-GLOPOL project funded by the European Commission. The working language of the event will be French.

Marie Skłodowska-Curie Actions (MSCA)

National Infoday – Algeria -

26 January 2026 – Monday, 09:00 – 12:30

Venue: Université Salah Boubnider Constantine 03
