**SITMA2024**

THE 5TH INTERNATIONAL SEMINAR  
ON ADVANCED MECHANICAL TECHNOLOGIES  
Tlemcen, April, 23th & 24th, 2024

## **SITMA2024 – The 5th International Seminar on Advanced Mechanical Technologies**

**Tlemcen, ALGERIA, April, 23th & 24th, 2024**

Dear Colleague,

We have the real pleasure to invite you to submit a paper to the 5th International Seminar on Advanced Mechanical Technologies (SITMA'24) which is taking place in the Tlemcen (Algeria) from 23 to 24 April 2024.

SITMA'24 is an international scientific seminar that provides an excellent opportunity for discussion and knowledge exchange for researchers, and industrial (engineers, company managers, project managers, decision-makers, etc.) for the sharing of knowledge and experience in the fields of mechanical engineering, materials engineering , renewable energy technology, energy efficiency, and other related fields. It is supposed to spark discussion within the academic community and to bridge the gap between practitioners and experts.

The SITMA'24 curriculum covers all topics in these areas, ranging from basic research to applied technology design and development.

The objectives of this event are to provide a forum for the presentation of cutting-edge research in the fields of engineering and opportunities for technical interactions between participants.

We invite you to send us your communication or poster proposals now. The deadline for submission is 15 February 2024. For more information, consult the conference website: <https://www.univ-tlemcen.dz/>

Your participation is important,

Best regards,
